DECORA DESIGNS INDUSTRIES

Making Working Environment Pleasureable

Vision

Commitments to building quality organization by increasing customer focus and achieve a leadership position by assuring consistent quality and timely delivery at competitive prices.

Mission

To create high performance working environment by providing high quality furniture and interior architectural products/services to make working a pleasurable experience as our Prime Motto.

About us

Today's, in changing lifestyles, most of us spend maximum time at work place, and long hours of working unknowingly has become part of our life.

DECORA established in business with the objective - to deliver comfortable, sturdy and healthy workplace environment, - to undertake furnishing the workplace with all kind of furniture and fixtures as well as any type of interior decorations.

DECORA run by professionals having experience of more than 15 years of furniture industry.

Complete range of designs as per the aesthetic taste and preferences of user. Diverse range of furniture are made with latest manufacturing techniques using premium quality material, machinery & highly skilled personnel, in varied sizes incorporated with features like ergonomical, durability, reduction of fatigue while working long hours, easy maintenance, exclusive colours, polished surface, finished edges and a cost effective range ,etc for all types of Business establishment & Individuals.

Designing and upgrading the product with new materials is a constant process with us.

Our constant endeavour is towards perfection and innovation unique user friendly creativity, passion for delivering the best with the customer satisfaction.
